**Train** (RENFE – Spanish Train Company):

**Remember:**

From **Aeroport del Prat** to **Sant Vicenç de Calders**:

You can come through any of these two possible ways:

- 1) Take the train at the Airport (See Airport Map), line C10, transfer in the first station “**El Prat de Llobregat**”, take a train with destination to Sant Vicenç de Calders (Line C2, green line in the map, direction South mainly along the Coast), transfer in **Vilanova i La Geltrú**, and get off at the last station (**Sant Vicenç de Calders**). (up to 1h 45 min in total, 2 transfers).
- 2) Take the train at the Airport (See Airport Map), line C10, and transfer in “**Barcelona Sants**” (20 minutes), take a train with destination to Sant Vicenç de Calders (Line C2, green line; or Line C4, orange line in the map\*) and get off at the last station (**Sant Vicenç de Calders**). (1h 30min to 2h, depending on the connections, only 1 transfer).  
\* : Line C2 is shorter.

Approximate Cost: 4 € (one way). Buy one-way ticket (round trip only works for the same day). However, if you travel in group you can purchase a “T10 - 6 zones” multi-travel card (28.80 €), 10 tickets that may be used in both go and return trips.
