Possibilitat de obtenir 1 crèdits
Preu: 80 €

4,6,8 de febrer
horari 09:00 a 12:00

Program:

•Course objectives

This course enables participants to relate programs of positive discrimination to the diversity of employees and organizations. Participants will be able to identify factors which contribute to good diversity management. Participants will also learn how to reduce potential conflicts stemmed from diversity. The course serves as a practical instrument to implement the concept of diversity into future Business and administration systems.
