

GUIDELINES FOR THE PRESENTATION OF THE FINAL PROJECT:

1. Language of the report: Catalan, Castellano or English.

2. Format:

- a. Font Latex article 11pt or equivalent (see example in the attached Latex file template.tex)
- b. Total length (including title page and references):
 - between 25 and 30 pages in the format of template.tex;
 - between 3500 and 4000 words (without counting equations, abstract, table of contents, and references).
- c. The report must have the following parts: Abstract, Table of contents, Introduction, Conclusions, and References to the literature. (Of course other sections may be present in addition to these).
- d. The Introduction should be no longer than three pages.
- e. Equations, references, figures, sections, and tables must all be numbered.

3. Submission:

You should contact the final project coordinator (Aurora Hernández-Machado: aurora@ecm.ub.es), and give her a paper copy of the report AND send her an e-mail with a PDF copy of it.

4. Presentation:

The presentation is before a jury composed of three professors, it is public, and lasts 20 minutes. You are allowed to show no more than 10 slides (PowerPoint or equivalent). After the presentation you will answer the questions of the jury members.
